

SEED Nature Trail

Can you tick off all the activities?

Stretch out your arms - it's time to play!
Ready for an adventure? What can you see today?

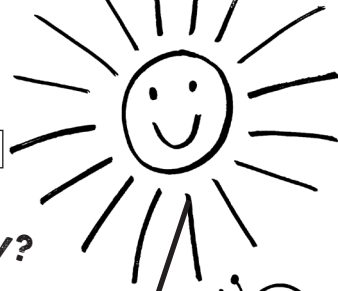

Watch out for the weather

Look up in the sky!
Can you see clouds?
Or rain?
Or sunshine way up high?

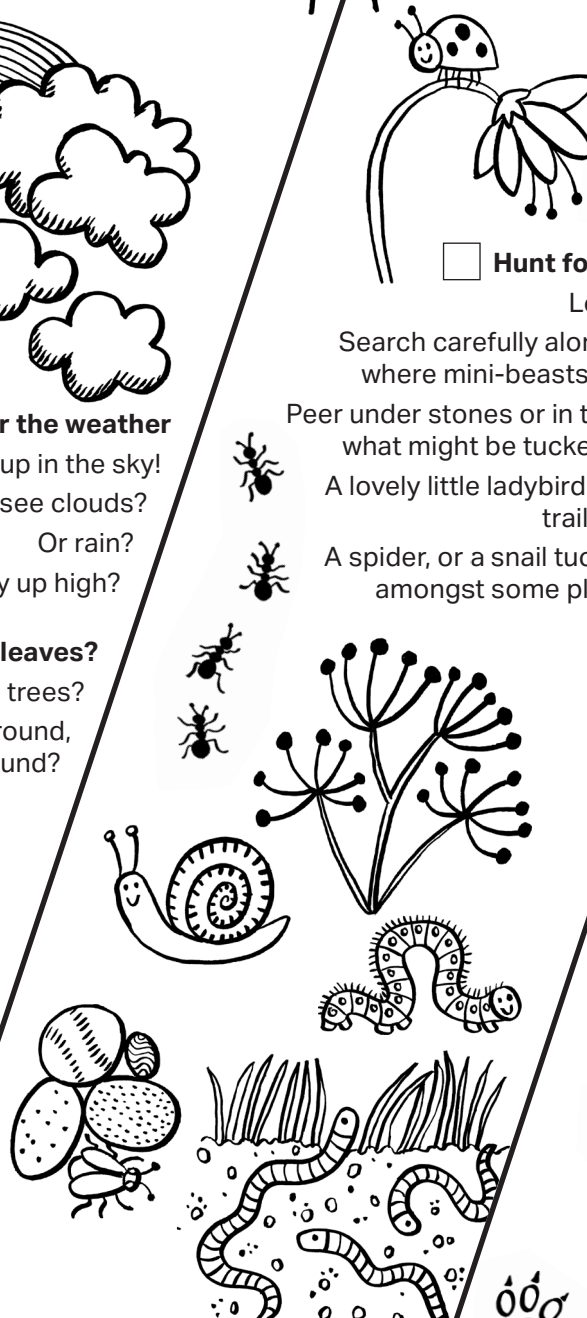

Look for the leaves?

Are they on the trees?
Or are they swirling all around,
tumbling tumbling to the ground?

Hunt for mini-beasts

Look closely...
Search carefully along branches
where mini-beasts might hide
Peer under stones or in that hole...
what might be tucked inside?
A lovely little ladybird or a tiny
trail of ants
A spider, or a snail tucked in
amongst some plants?

Find the flowers
Are there any blossoms?
Can you count the colours?
Which colour is your favourite?
Can you see the others?

**Listen to your feet
as you walk along the street**

Crunch crunching gravel
Splish splashing puddles
Slip slippery sliding
Ice goes gliding

Keep going!
Where will your
adventure take
you today?
